**Frimaire**

7 What name is given to the position of any object, especially the moon, when its orbit is closest to Earth?

**Perigee**

### Notes and corrections

1 The painting has a number of names, including *The Arnolfini Portrait*, *The Arnolfini Wedding* and *The Arnolfini Marriage*.

2 *Infectious mononucleosis* is an equally acceptable answer.

3 Rome and Brindisi were at either end of the Appian Way, but along its route were other cities (e.g. Tarentum, now known as Taranto) which were also 'connected to Rome'.

4 'Franklin Delano Roosevelt' and 'William Jefferson Clinton' also have 23 letters.

5 Another two locomotives, *Cycloped* and *Perseverance*, also took part in the trials.

6 Presumably a typo: Florida is bordered by Alabama, not Atlanta.

7 Although it has yet to happen, it **is** possible for a batsman to be 'timed out' in Test cricket (Law 31).
