### Notes and corrections

- The details given are for James Gordon Bennett **Senior**. The expression 'Gordon Bennett' is thought to refer to his son, James Gordon Bennett **Junior**, who was born in New York City in 1841.
- The overwhelming majority of sources state that the last book of the New Testament is *The Revelation of St. John the Divine*, more commonly known as *Revelation(s)* or *Apocalypse*. The *Second Book of Maccabees* is usually regarded to be the last book of the *Apocrypha*: a collection of books usually found either between the Old and New Testaments or after the New Testament, depending on the Bible version.
- Bristle toothbrushes were in use for several hundred years prior to Addis becoming the first to mass produce them.
- The coffee percolator was invented in the late eighteenth century and patented in the mid to late nineteenth century. Hobbs invented an **electric** percolator.
- 'Hardress Waller' is an equally acceptable answer, but obviously doesn't fit the theme.
- Vitamin B<sub>12</sub> performs [many roles in the human body](#), so whilst the given answer is correct, there are numerous other, equally valid answers.

7. Chelsea's Petr Čech became the third three-time winner when he shared the 2013–14 award with Arsenal's Wojciech Szczęsny.
8. Equally acceptable, if less commonly used, answers are 'beestings' and 'first milk'.
9. Curling also featured in the 1924 (Chamonix) games and was a demonstration sport in 1932 (Lake Placid), 1988 (Calgary) and 1992 (Albertville).
